introduction

Northants Open Studio Trails (NOST) is the largest visual arts event in and around the county. During the month of September artists invite you into their studios to witness at first hand the inspiration and motivation, which drives them to create. Step inside a pottery studio, discuss carving with a stonemason or watch demonstrations of painting, printmaking and traditional crafts.

This brochure will show you the huge range of art activities featured this year and help you to choose where to visit. Many artists will also present their work as groups in galleries, shops, pubs and a host of interesting alternative venues.

Artists have been grouped together by region and are marked on easy to follow maps, which will help guide you around the county, so you don't miss a thing!

For the first time, Kettering Borough Council are hosting NOST and have re-launched it for 2015. We would like to thank all the sponsors, supporters, advertisers and especially the artists themselves for making it possible.

central exhibition

29th August – 26th September 2015

The Alfred East Art Gallery will be hosting the Central Exhibition for Northants Open Studio Trails this year, which is a great place to see examples of each participating artist in one room. It is hoped that the exhibition will inspire visitors to get out and about around the county to visit studio spaces and follow the trails of their choice.

All artists involved in the Central Exhibition will be eligible for 'artist prizes', some of which will be announced on 29th August and others will be announced towards the end of the Trails on 26th September.

On the Edge Framing have kindly supported NOST this year and are awarding a 'People's Choice Award'. They are asking visitors to choose their favourite piece in the exhibition and they will award the winner with a £75 framing voucher. Pick up your voting slip at the Central Exhibition.

Kettering Museum & Art Gallery have a long history that spans over more than a 100 years displaying collections of noteworthy artists and exhibitors.

It all began with Sir Alfred East, a local artist, giving the town he loved and grew up in, a collection of his work.

In 1911, he offered Kettering a representative selection of his works to serve two purposes:

“... for the love I have for the old town, and also as an expression of gratitude for my recovery from a very serious illness ... I should regard such a collection as a memorial, and as such, I should see that it was worthy of your acceptance and of my reputation.”

The offer of these works was conditional on the construction of a gallery to house the collection and, within a remarkably short time, public subscription had raised money for the project.

Sadly, Sir Alfred East was too ill to attend the opening ceremony but sent a message to the people of Kettering that he hoped they would: “... find something in the Gallery to make their lives bigger, better and brighter, something to take their minds off their troubles in life and to enable them to enter into and realise something of the inspiration and consolation that is to be found in nature.”

This legacy has continued throughout the history of the Alfred East Art Gallery to its present day and we hope to continue to achieve this through Northants Open Studio Trails.

We now have a strong community of local artists who are actively involved with Kettering Museum & Art Gallery through various workshops, events and exhibitions. We are delighted to be able to combine not only the wishes of Alfred East but also the needs of the artistic community for an art event like Northants Open Studio Trails to help us celebrate the wealth of art in the county.

We hope that you can support the artists in making this year's event a success.

Opening times and contact details

Open: Tuesday - Saturday 10am - 4.45pm

Address: C/O Kettering Borough Council, Municipal Offices, Bowling Green Road, Kettering, Northants NN15 7QX (Sat Nav NN16 0AL)

launch day

Join us on **29th August** in the Manor House Gardens as we launch the start of **Northants Open Studios Trails**. With pop up exhibitions, live demonstrations, free drop in workshops and entertainment throughout the day, there will be something for people of all ages.

big paint is sponsored by ColArt

Big Paint is a community art collaboration where visitors can take up the opportunity to have their work hung in the gallery. Visitors will be asked to paint a section of a larger painting which will be joined together and hung as one piece in the gallery.

All materials are being provided by ColArt, suppliers of Windsor & Newton.
