Welcome to Northants Open Studios Central Exhibition

**Sponsored by Lamport Hall
Preservation Trust**

"Lamport Hall has an immensely strong association with art going back to 1676 when Sir Thomas Isham, 3rd Baronet, embarked on his grand tour, which culminated in what is now one of the most notable art collections in the country. Art and the arts are the foundation of cultural fulfilment in Northamptonshire, bringing people together from all backgrounds to celebrate creativity. I am delighted to host Open Studios 2023 in the spectacular Lamport Hall Stableyard."

Mark Herrod, Director Lamport Hall
